Subject: Cement Association MAY Meeting/Keynote Request

Hi Michelle,

I am sure you are super busy, but I wanted to reach out to you because the Portland Cement Association is hosting our annual Washington, D.C. Fly-In on **May 9th and 10th**. PCA represents 92 percent of U.S. cement production capacity and have facilities in all 50 states. Cement and concrete product manufacturing directly or indirectly employs approximately 500,000 people in our country, and our collective industries contribute approximately \$100 billion to our economy. The D.C. Fly-In is attended by CEO's and senior company executives. This year we will also invited other concrete trade associations to participate as well.

PCA would be honored to have Administrator Pruitt as our keynote speaker on **Tuesday, May 9th** anytime from **6pm** on at our opening dinner at the 101 Constitution Roof Terrace. Administrator Pruitt is welcome to join us for dinner, or just come to speak, whatever is best for your schedule. Attached is an invitation with additional details. Should this time not accommodate your schedule we also welcome the Administrator at our breakfast on **Wednesday, May 10th** at the Washington Marriott at Metro Center anytime from 7:00am to 10:00am. Additionally, Cement CEO's would be able to come for a meeting on Tuesday, May 9th at 4pm.

Happy to answer any additional questions or concerns via email or phone: 202-679-8223. If you could let us know no later than April 26th that would be very helpful. Thank you again and enjoy the spring weather!

All My Best,

Rachel Derby
